

1980 Person of the Year

The Person of the Year Award is in recognition of Bob's outstanding contributions to the warehouse distributors and in appreciation of his conscientious dedication as an individual member of the specialty equipment industry.

Bob Airheart, Bob Airheart Sales

Bob Airheart has been involved in the performance industry so long that we can't remember when he wasn't involved. Airheart and his brother Frank were originally involved in the design and manufacturer of disk brakes. Later the company was sold to Hurst Performance and Bob Airheart went to work for Hurst. A couple years ago Bob went to work for Cragar as a national sales manager.
