

2009 Manufacturers of the Year

The Manufacturer of the Year Award is in recognition of Airaid's and K&N Engineering's outstanding contributions to the specialty equipment industry and in appreciation of their conscientious efforts in support of the warehouse distributor of merchandise distribution.

AIRAID FILTER COMPANY

Since 1997 AIRAID Filter Company has been manufacturing and distributing a complete line of cool air intake systems, premium air filters, modular intake tubes and throttle body spacers for pickups and SUVs. Every AIRAID premium filter features AIRAID's SynthaFlow technology, which provides maximum filtration and superior air flow. All AIRAID products are made in the USA and feature our "No Hassle" Warranty.

K&N ENGINEERING in Riverside, California is the world's leading manufacturer of washable performance air filters and air intake systems. K&N invented the reusable high flow cotton air filter in 1969 and has been perfecting the technology ever since. Celebrating its 40th anniversary in 2009, K&N is a world-class filtration company selling air filters, oil filters, and intakes in over 30 countries. K&N sells over 5,000 products designed for cars, trucks, motorcycles, engines, and industrial applications. From their Million Mile Warranty to their Consumer Protection Pledge, K&N stands behind their products and their consumers 100%. The distinctive K&N logo represents performance from one of the original performance companies.
